Job Title: Electrician

Job Description:

Located in South East Calgary, our client is a manufacturing company that is becoming one of the top companies for supplying stimulation equipment in Canada. Our client offers many challenging and rewarding career opportunities to interested and qualified individuals with competitive and comprehensive remuneration packages. Our client is seeking an Electrician who will be responsible for carrying out the following duties:

- Install, alter, repair, maintain various electrical systems and related equipment
- Read and interpret electrical and mechanical code specifications
- Inspect electrical systems, equipment, and components to identify hazards, defects, to ensure compliance with codes.
- Plan layout and illustration of electrical wiring, equipment and fixtures based on job specifications and local codes.
- Provide preliminary sketches and cost estimates for materials and services
- May supervise apprentice electricians

Qualifications

- Must have Journeyman or Electrician status
- Posses a valid certificate of qualification issued by the appropriate province or federal authority
- Valid Driver's License

To Apply for this opportunity

Please submit your resume in Microsoft Word format as an email attachment to hr@staffcorp.ca

You will receive an auto-reply as a confirmation of successful receipt of your resume by StaffCorp. If you do not receive an auto-reply please contact our office.
