Job Title: Mechanical Engineer

Job Description:

Located in South East Calgary, our client is a manufacturing company that is becoming one of the top companies for supplying stimulation equipment in Canada. Our client offers many challenging and rewarding career opportunities to interested and qualified individuals with competitive and comprehensive remuneration packages. Our client has an immediate openings for Mechanical Engineers with a minimum of five years of related experience. The Mechanical Engineer will be responsible for the following duties:

- Interpret and understand product specifications, data sheets, and customer requirements
- Research and secure information on materials required to develop new product designs
- Perform design calculations in accordance with API standards
- Design new product components and assemblies
- Prepare detailed sketches of new products and assist Designers in developing drawings
- Generate Bills of Materials and Engineering Change Notices
- Generate test procedures and all necessary support documentation for product verification and validation
- Perform product tests and experiments that require standard as well as nonstandard procedures
- Perform other duties as required by management

Required Skills

- Keen ability to decipher technical information and drawings
- Ability to find technical/mechanical solutions to meet unique customer needs
- Must display initiative, maturity and sound judgment
- Ability to problem solve
- Excellent communication and interpersonal skills

External Job Posting

- Proficient in the use of Microsoft Office applications such as Word, Excel and Outlook.

Qualifications

- Minimum 5 years of related experience
- B.Sc. or M.Sc. Mechanical Engineering from an institution accredited by the Accreditation Board, Engineers Canada.
- Registered as a Professional Engineer (P.Eng.) with APEGGA.

To Apply for this opportunity

Please submit your resume in Microsoft Word format as an email attachment to hr@staffcorp.ca

You will receive an auto-reply as a confirmation of successful receipt of your resume by StaffCorp. If you do not receive an auto-reply please contact our office.

Note: Please do not include personal information on your resume that is not relevant to your job search (i.e. age, sex, race, social insurance number, or photograph)
